

RESOLUTION

NATIONAL SCIENCE BOARD

IN RECOGNITION OF THE NATIONAL SCIENCE FOUNDATION

WHEREAS, the National Science Foundation (NSF) implemented astute measures to manage the impacts on NSF operations during the unprecedented lapse in federal appropriations, December 21, 2018–January 25, 2019; and

WHEREAS, the NSF reopened to full operations with remarkable speed upon the re-establishment of budgetary authority;

BE IT RESOLVED, that the National Science Board acknowledges the outstanding work by the director and senior leadership of the NSF, not only during the shutdown, but during the recovery period as well.
